PRODUCTS

CIRCUIT BREAKERS
DISCONNECTS
CONTACTORS
SAFETY SWITCHES
GP TRANSFORMERS
PANELBOARDS
SWITCHBOARDS
LV & MV SWITCHGEAR
MOTOR CONTROL CENTERS
RELAYS
SUBSTATION
A/Cs & FANS
HEAT EXCHANGERS
CHILLERS
HARMONIC FILTERS
OUTPUT FILTERS
LINE REACTORS
BUSBAR SYSTEM
TIMERS
PHASE MONITORS
LIQUID LEVEL CONTROL
TERMINAL BLOCKS
DISTRIBUTION BLOCKS

11919 W. I-70 Frontage Rd. #103
Wheat Ridge, CO 80033

PROTECTION: Air Circuit Breakers, Molded Case Circuit Breakers, Disconnect Switches, Mini Breakers, Surge Protection

CONTROL: Contactors, Relays, MMP's, Pilot Devices, Low Voltage Starters, Wire Duct, Power Supplies

POWER DISTRIBUTION SYSTEMS: UL1558 Switchgear, UL891 Switchboards, UL845 MCCs, UL67 Panelboards, ANSI MV Switchgear (AIS/GIS)

POWER DISTRIBUTION COMPONENTS: Test Switches, Protection Relays, Vacuum Circuit Breakers, Vacuum Contactors, Current-Limiters, Busway, Dry Type Transformers, HD/GD Safety Switches

SUBSTATION EQUIPMENT: MV Vacuum Circuit Breakers, Reclosers, Load Break Switches, Sectionalizers, Fused Cutouts

THERMAL MANAGEMENT: Air Conditioners, Air-to-Air & Air-to-Water Heat Exchangers, Filter Fans, Heaters, Thermostats

SIGNALING SOLUTIONS: Stack Lights, Audible & Visual Signaling

HARMONIC MITIGATION: Guaranteed IEEE-519 Compliance, Drive-Applied Passive or Bus-Applied Active Harmonic Filters, Harmonic Studies, Line Reactors

MOTOR PROTECTION: Load Reactors, dv/dt Filters, Sine Wave Filters, EMI Filters, Power Factor Correction

BUSBAR SYSTEM: UL508a Listed, Touch-Safe Power Distribution System for Control Panels, Switchboard and Panelboards up to 6500A

FLEXIBLE BUSBAR: Tin-Plated Copper Laminate Flex-Bus up to 2500A

Better. By Design.

INDUSTRIAL RELAYS: Time Delay Relays, Liquid Level Controllers, Three-Phase Monitors, Voltage Monitors, Intrinsically Safe Relays, and Alternating Relays for Industrial Control Applications

TERMINAL BLOCKS: Entelec Terminal Blocks featuring Screw Clamp, Spring Clamp, IDC & Pluggable Technology, Power Distribution Blocks

NEW TECHNOLOGY: Screwless Jumper Design, Asymmetrical, Common Accessories, Color Options Available

WEINTEK
www.WeintekUSA.com

HMI: Human Machine Interfaces from 4.3" to 21", Faceless HMI, Protocol Converters, Remote I/O, Scoreboard Monitor,

FEATURES: High Resolution, Vibrant Colors, Improved Animations, CODESYS, Remote Connectivity, Built-In MQTT & OPCUA, Video & PDF Viewers, Supports Multiple Platforms (PLC Agnostic)

PR
electronics

SIGNAL CONDITIONING: Temperature Transmitters, IS Barriers, Communication Enablers / Interfaces, Isolation Relays

FEATURES: Wide Range of Analog and Digital Modules, HART Communications, Agency Approvals Including UL, IEC, IECEx, CSA

INTEGRA
ENCLOSURES

NON-METALLIC ENCLOSURES: Polycarbonate Compound, NEMA / UL Listed, F1 UV Protection, High Chemical Resistance, Impact Resistant, -40 deg F to 265 deg F, Custom Stainless and Aluminum Options

ADALET
a Scott Fetzer company

ENCLOSURES: Stainless Steel & Fiberglass Enclosures, Painted Steel Enclosures, Custom Stainless Steel Solutions, Industrial JAG Fittings & Cable Accessories, Stainless Steel Lighting & Power Panelboards

EXM
exm®

ENCLOSURES: Mild Steel, Stainless Steel, Non-Metallic, Wall Mount & Free Standing, Disconnect Type, Modular Cabinets, Consoles, Wire Way, Junction Boxes, Custom Enclosures

ProLine
RADIANT HEAT SOLUTIONS

HEAT TRACE: Snow Melting for Industrial, Commercial and Residential Applications, Roof Deicing, Heated Floors and Driveways, Pipe Tracing and Freeze Protection Systems

FLEXICON
FLEXIBLE CONDUIT SOLUTIONS

FLEXIBLE CONDUIT : Metallic and Non-Metallic Flexible Conduit Solutions for OEM Material Handling Applications, UL Listed, Hazardous Location
