PRODUCTS

CIRCUIT BREAKERS
DISCONNECTS
JOKAB SAFETY
LV SWITCHGEAR
MCC'S
TY DUCT
TERMINAL BLOCKS
POWER DIST BLOCKS
FUSE HOLDERS
HARMONIC FILTERS
LINE REACTORS
POWER SUPPLIES
CPT'S
FILTER FANS
AIR CONDITIONERS
IIOT
PRINTERS

OEM Products Manufacturer & Product Line Card

PROTECTION: Molded Case Circuit Breakers, Disconnect Switches, Mini Breakers, Surge Protection ,

CONTROL: Contactors, Relays, Terminal Blocks, MMP's, Pilot Devices, Low Voltage Starters

DISTRIBUTION: LV Switchgear, Switchboards, MCC

THERMAL MANAGEMENT: Air Conditioners, Heat Exchangers, Filter Fans, Heaters, Thermostats

SIGNALING SOLUTIONS: LED Sounders, Stack Lights

DRIVE-APPLIED HARMONIC FILTERS: Active and Passive IEEE 519 Compliant , Harmonic Studies, Power Factor

MOTOR PROTECTION: Sine Wave Filter, dv/dt Filters, EMI Filters

LINE REACTORS: Optimized Low & High Z

BUSBAR SYSTEM: All round touch-safe protected Busbar System. Space saving and clear design, Mounting of components with no tools, Compact Control and Distribution.

Flexible Busbar: Flexible Copper Busbar plain insulated

INDUSTRIAL NETWORKS: Point to Point Security with End to End Encryption

SIMPLIFYING IoT: Easy Connectivity, Security, Device Management, Licensing, Wireless, Cellular

ENCLOSURES: Stainless Steel Enclosure Solutions, Fiberglass Enclosure Solutions, Polycarbonate Solutions, Painted Steel Enclosures.

CUSTOM ENCLOSURES

Wheat Ridge, CO 80033

ENCLOSURES NON-METALLIC: Polycarbonate Enclosures, NEMA Rated, UV Protection, Chemical Resistance, Impact Resistant, Wide Operating Temperature Range -40 deg F to 265 deg F, Ease of Modification

TERMINAL BLOCKS: Entrelec Terminal Blocks, DIN Rail Terminal Blocks and Accessories, Fuse Terminal Blocks, Screw Clamp / Spring Clamp / Insulation Displacement Technology, Ground Terminals

HMI: Human Machine Interface, Smart HMI Solutions, Edge Graphic Operator Interface, Smart Communication Gateway, HD Display & Touch Monitor, cMT + CODESYS and Remote I/O

NGR NEUTRAL GROUNDING RESISTOR: High Resistance with Pulser, Low Resistant, Braking Resistor

POWER RESISTORS: Edgewound, Wirewound, Smooth-wound, Grid Type, Ribbon Type

REELS: Cable/Cord & Hose Reels, Static Discharge Reels, Spring Kits, Festoon Systems, PowerTrak, Cable Carriers

ENCLOSURES METALLIC: NEMA Rated Enclosures for Industrial and Commercial Applications, Modification

PRODUCTS: Free Standing, Wall Mount, Disconnect, Modular Cabinets, Consoles, Wire Way

MATERIALS: Mild Steel, Stainless Steel, Painted Stainless
