OEM Products Manufacturer & Product Line Card

PROTECTION: Air Circuit Breakers, Molded Case Circuit Breakers, Disconnect Switches, Mini Breakers, Surge Protection

CONTROL: Contactors, Relays, MMP's, Pilot Devices, Low Voltage Starters, Wire Duct, Power Supplies

DISTRIBUTION: LV Switchgear, Switchboards, MCCs, Panelboards

THERMAL MANAGEMENT: Air Conditioners, Air-to-Air & Air-to-Water Heat Exchangers, Filter Fans, Heaters, Thermostats

SIGNALING SOLUTIONS: Stack Lights, Audible & Visual Signaling Systems, Flashing & LED Lights, Buzzers

HARMONIC MITIGATION: Guaranteed IEEE-519 Compliance, Drive-Applied Passive or Bus-Applied Active Harmonic Filters, Harmonic Studies, Line Reactors

MOTOR PROTECTION: Load Reactors, dv/dt Filters, Sine Wave Filters, EMI Filters, Power Factor Correction

BUSBAR SYSTEM: UL508a Listed, Touch-Safe Power Distribution System for Control Panels, Switchboard and Panelboards up to 6500A

Flexible Busbar: Tin-Plated Copper Laminate Flex-Bus up to 2500A

INDUSTRIAL NETWORKS: IoT Ecosystem with Point-to-Point Encryption Creating a VPN that is Easy, Reliable and Secure

SIMPLIFYING IoT: Perfect for Remote Access, Data Collection and Visualization, Access Management, Preventative Maintenance

INDUSTRIAL RELAYS: Time Delay Relays, Liquid Level Controllers, Three-Phase Monitors, Voltage Monitors, Intrinsically Safe Relays, and Alternating Relays for Industrial Control Applications.

INTEGRA
ENCLOSURES

TERMINAL BLOCKS: Entrelec Power Distribution & Terminal Blocks offering Screw Clamp , Spring Clamp, IDC, Pluggable Technology

NEW TECHNOLOGY: Screwless Jumper Design, Asymmetrical, Common Accessories, Color Options Available, Etc.

HMI: Human Machine Interfaces from 4.3" to 21", Faceless HMI, Protocol Converters, Remote I/O, Scoreboard Monitor,

FEATURES: High Resolution, Vibrant Colors, Improved Animations, CODESYS, Remote Connectivity, Built-In MQTT & OPCUA, Video & PDF Viewers, Supports Multiple Platforms (PLC Agnostic)

SIGNAL CONDITIONING: Temperature Transmitters, IS Barriers, Communication Enablers / Interfaces, Isolation Relays

FEATURES: Wide Range of Analog and Digital Modules, HART Communications, Agency Approvals Including UL, IEC, IECEx, CSA

NEUTRAL GROUNDING: High Resistance & Low Resistance Grounding Systems, Digital HRG with Pulser

POWER RESISTORS: Brake Choppers, Braking Resistors, Edge-wound, Wirewound, Smoothwound, Grid Type, Ribbon Type

NON-METALLIC ENCLOSURES: Polycarbonate Compound, NEMA / UL Listed, F1 UV Protection, High Chemical Resistance, Impact Resistant, -40 deg F to 265 deg F, Custom Stainless and Aluminum Options

ENCLOSURES: Stainless Steel & Fiberglass Enclosures, Painted Steel Enclosures, Custom Stainless Steel Solutions, Industrial JAG Fittings & Cable Accessories, Stainless Steel Lighting & Power Panelboards

ENCLOSURES: Mild Steel, Stainless Steel, Non-Metallic, Wall Mount & Free Standing, Disconnect Type, Modular Cabinets, Consoles, Wire Way, Junction Boxes, Custom Enclosures
