

## PRODUCTS

**SCREW, SPRING, IDC  
TERMINAL BLOCKS**

**POWER DISTRIBUTION  
BLOCKS**

**A/Cs & FANS**

**HEAT EXCHANGERS**

**CHILLERS**

**BUSBAR SYSTEM**

**FLEXIBLE BUSBAR**

**FUSE HOLDERS**

**CABLE MANAGEMENT**

**GLAND PLATES**

**PHASE MONITORS**

**VOLTAGE MONITORS**

**ALTERNATING RELAYS**

**METALLIC ENCLOSURES**

**POLYCARBONATE  
ENCLOSURES**

**CABLE TRAY**

**SURGE PROTECTION**

ENCLOSURES

**3E Basor**  
CABLE TRAY SPECIALIST

**CITEL**

**TERMINAL BLOCKS:** Entrelec Power Distribution & Terminal Blocks offering Screw Clamp , Spring Clamp, IDC, Pluggable

**THERMAL MANAGEMENT:** Air Conditioners, Air-to-Air & Air-to-Water Heat Exchangers, Filter Fans, Heaters, Thermostats

**SIGNALING SOLUTIONS:** Stack Lights, Audible & Visual Signaling

**BUSBAR SYSTEM:** UL508a Listed, Touch-Safe Power Distribution System for Control Panels, Switchboard and Panelboards up to 6500A

**Flexible Busbar:** Tin-Plated Copper Laminate Flex-Bus up to 2500A

**CABLE ENTRY :** Systems for cable entry and EMC cable shielding. Their products are used in process and discrete manufacturing, machine tools and packaging machine industries as well as in automation and robotics .

**INDUSTRIAL RELAYS:** Time Delay Relays, Liquid Level Controllers, Three-Phase Monitors, Voltage Monitors, Intrinsically Safe Relays, and Alternating Relays for Industrial Control Applications

**NON-METALLIC ENCLOSURES:** Polycarbonate Compound, NEMA / UL Listed, F1 UV Protection, High Chemical Resistance, Impact Resistant, -40 deg F to 265 deg F, Custom Stainless and Aluminum Options

**ENCLOSURES:** Mild Steel, Stainless Steel, Non-Metallic, Wall Mount & Free Standing, Disconnect Type, Modular Cabinets, Consoles, Wire Way, Junction Boxes, Custom Enclosures

**CABLE TRAY:** Cable Support & Containment Solutions. Basket Tray, Steel, Aluminum, Galvanized Cable Tray

**SURGE PROTECTION:** AC & DC SPDs, Din-Rail, Panel Mount, Surface Mount, Integrated Enclosures, PV
